IMPORTANT ENROLLMENT INFORMATION

Dear Parents/Guardians,

Thank you for submitting your child's registration packet for enrollment in Somerset Academy – Eagle Campus. Your completed registration packet has been received and processed. The enrollment selections are listed by receipt number and grade level. If your child's receipt number is listed that means they have been accepted to Somerset Academy-Eagle Campus.

Now that your child has received an enrollment selection, you will need to download the Commitment Form from the website and return the completed form to the school by June 15, 2010 to accept and secure your child's enrollment. You may mail your commitment form or drop it off at the school office. If the Commitment Form is not signed and received by the deadline, your child's slot will be filled with the next student on the wait list.

Please note that this is the first round of enrollment selections and we are still processing registration packets. Additional enrollment selection updates will be posted on the Friday of each week until all the seats are filled.

Information regarding orientation and the upcoming school year will be forthcoming. Please continue to check the website for updates. Once again, thank you for choosing Somerset Academy-Eagle Academy as the educational institution of your choice.

If you have any questions, you may call the office at (904) 854-0990.

Dedicated To Educational Excellence,
Somerset Academy – Eagle Campus Administration
